THE FRONT PAGE

It Couldn't Have Been A Better Year!

Sports

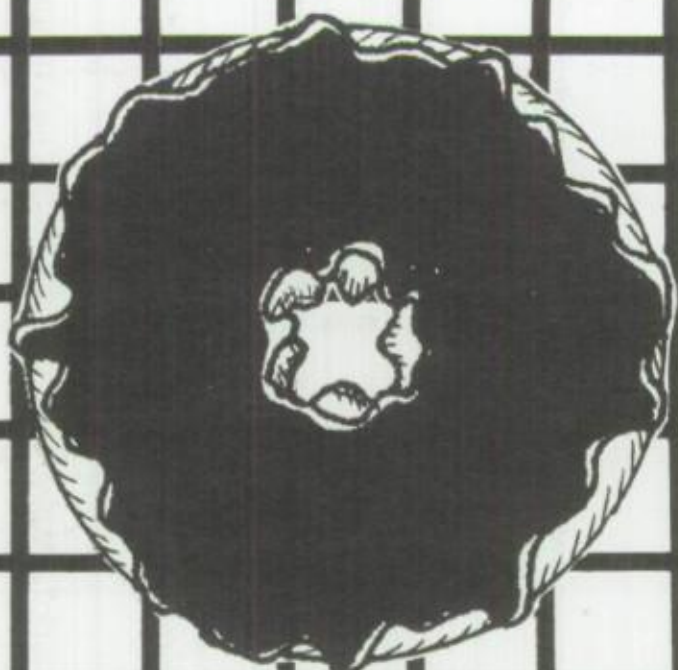

The front page has always been a page of distinction, and that still held true for our varsity basketball team. They started out with a winning record of 20 wins and 4 losses. Then they progressed to win the SBC crown and finished up the season by taking a disappointing loss to Mansfield Senior in the district final at Bowling Green. The big highlight of the season was in district play when P.C. rallied with Lima Senior to beat them 63-61. However, the Huron game could have gone either way. We ended up winning

the game 103-102. What an exciting night that was. All of Port Clinton could not have been more proud of our 1985 varsity basketball team.

P.C.H.S.'s girls' tennis team did more than just make the Front Page, they made themselves known. With an 8 and 2 season in the SBC, our girls were the first tennis team ever to win the SBC championship. Despite the fact that they were a very young team, three of the players, Beth Kocik, Beth Benko, and Heidi Delhees, showed great potential in sectional play. With this super show of talent, they sure gave new meaning to the sport of Tennis at P.C.H.S.

Toma

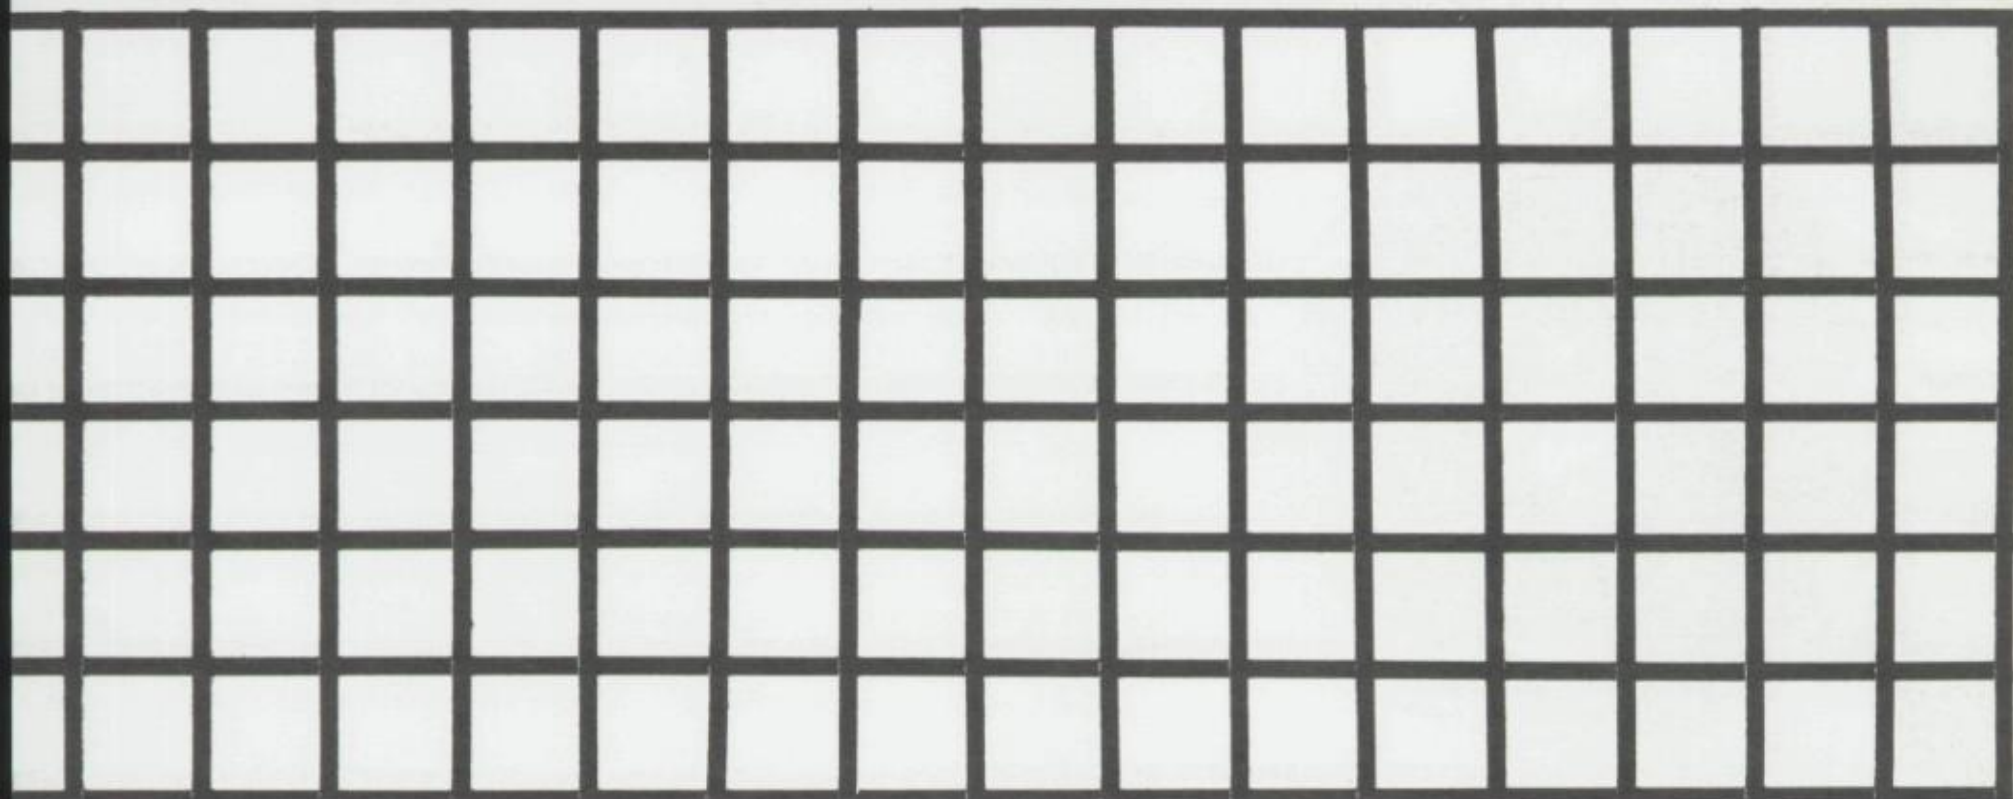

When we found out that David Toma was coming to our school to talk about drugs and alcohol, we did not know what to expect. When he was done with his talk, we could do nothing but cry. Toma came to P.C.H.S. with one thing in mind: to warn us of what could happen if drugs and alcohol take over our lives. He was a very moving and powerful speaker, and by the end of the day, he had people thinking twice. It was an experience that most of us will never forget. He ended his talk with three very important words: I LOVE YOU.

"Howie! Howie! Howie!"

Senior Captain, Dawn Gels lead the Tennis team to victory with the assistance of Senior Captain, Nicole Batzel.

RETIREMENT...

The end of an era

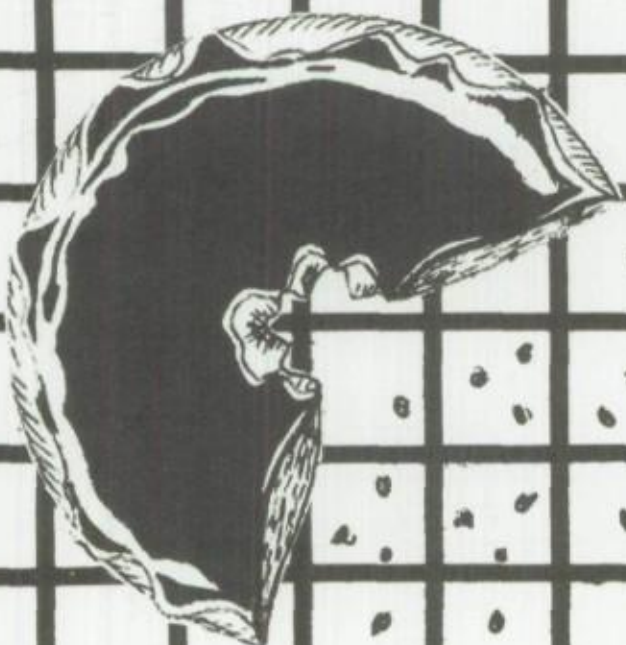

In September, 1984, a banquet was held in honor of Mr. Robert Peterson, Miss Kay Barber, and Miss Janet Stephenson. These three teachers have been involved with the Port Clinton School System for many years, and in 1984 they decided to retire.

Robert Peterson taught at Jefferson Elementary for 27 years. Kay Barber ended her career as a guidance counsellor at the high school. She had served 39 years. Janet Stephenson was with the high school for 28 years. During this time, she taught English, and in the 1981-82 school year she took the position of librarian at P.C.H.S.

As time moves on, we see changes all around us. Retirement is a well-deserved end to a super era.

Robert Peterson, Kay Barber, and Janet Stephenson.

EDITORIAL

Blame it on the EDITORS

No one ever said that being the editor of the yearbook was going to be easy. In fact, there is nothing worse than knowing a deadline is in two days and only three out of forty layouts are done. Despite all the troublesome times, there are some advantages. First, the editors get to boss the staff members around, and second, when the

editors are not hard at work, they are supervising the whole project. This job definitely calls for a hard-working person who loves to work with other people.

Of course, all this work would not be possible if it were not for all the outside support. For that reason we would especially like to thank our advertisers, patrons, and everyone else.

100 Years of Graduation

"NOT FINISHED, BUT BEGUN."

CLASS
 —OF—

1885

LILLIAN J. TURNER.

1885 - 1985

The class of 1985 was a very special class in that they were the 100th graduating class of Port Clinton High School. Thinking back to how graduation was in 1885, one might picture the old school house with a horse and buggy sitting outside. This may very well have been true of the first commencement, but proof of this occasion lies mainly in the first commencement program (pictured above). Just by looking at the program one can see a few of the interesting facts. For instance, Lillian J. Turner was the only graduate that year, which means over the span of 100 years P.C.H.S. has gone from one graduate to 199 graduates. The first commencement exercises themselves consisted of a series of readings and essays, and the class motto could not have been more appropriate. It was "Not Finished, But Begun."

Looking back even farther than the first graduation, a picture of the first school house being built

might come to mind. It stood facing the alley that runs from Jefferson to Madison, between Second and Third Streets. As the years passed, this building became unsafe. That was when the next high school building was built on Fourth Street, which is presently the site of the junior high school. Soon it was discovered that the school census was getting larger and larger every year. The decision was made to expand the school system, and the present high school building was erected. So, it is evident that Port Clinton High School has come a long in 100 years.

Ever since our freshmen year we had been looking forward to our senior year and graduation, but knowing that we were the 100th class to graduate only made the event more special.

BRINGING A BOOK TO LIFE!

The Revista staff started off the year having 10 out of 12 inexperienced members. This meant a lot of teaching by the editors, Carolyn Bordner and Nicole Batzel, and a lot of learning by the new staff members. Once everything got rolling, however, there were fewer questions asked and more layouts made.

A newspaper style was the theme of this year's Revista, and was shown by the cover design (by Jim Rofkar) and the sentence-style headlines.

We kept working right to the end in order to produce a book that the whole school would treasure for many years to come.

FOR the STUDENT BY the STUDENTS

STUDENT COUNCIL

The 1984-85 Student Council participated in many activities this year. They ran the concession stand for all of the basketball games, held the annual Homecoming Dance and also assisted with the Riverview School Olympics. One of the highlights of the year was the Student Council exchange with Woodmore High School. On April 23, three Woodmore students attended classes at P.C.H.S. and

the following Thursday, April 25, three P.C. students went to Woodmore for the day. There they got a first-hand look at how a smaller high school is run. The Student Council ended the year with the teacher appreciation breakfast and a trip to Cedar Point.

Save Their "Best" Year For Last

The class of 1985 completed its last year of high school with its goals set on the future. Our final year was marked with a second place finish in the magazine drive but a disappointing finish in the float competition. We were also proud to be Port Clinton High School's 100th graduating class. Our class would like to thank their friends and teachers for all the great help that they have been over the years. Port Clinton High School has been the starting point of many concepts that we will have to face in the future. Through the good and bad hopefully all of us will look back at high school as the "best of times."

J. . . . 3/4 OF THE WAY!

UNIORS

The 1984-85 school year was one of prosperity for the Junior Class. Despite a disappointing third place in the Homecoming float competition, we enjoyed the constant excitement of Homecoming. In December, we had a Christmas Fudge Sale sponsored by Kimberly Fudge Shop in order to make money for the biggest event of our first year as upper classmen-THE PROM! Through all the hard work and decision making-the junior class stuck together making our 3rd year to PCHS a success.

Class officers: President Brian Watt, Vice-President Laura Bordner, Secretary Kriss Nickel, and Treasurer Janie Kalinoski.

SOPHOMORES ... ONE STEP CLOSER

The 1984-85 school year brought in many new and wonderful memories for the sophomore class. We started off by placing second in the float competition with "Ice-O-Late 'Em" as our theme. Shortly afterwards, time came to order class rings, which was something we all looked forward to and enjoyed very much.

As the year progressed, we began to settle down, many of us ex-

celled in academics, sports, and other extra-curricular activities. Some of us were even able to achieve a varsity letter, which in most sports, is a difficult task to overcome.

Our first two years at the high school have turned out to be very successful and they have given us so many moments that we will remember for the rest of our lives.

The freshmen class has had a really terrific year! We started it off by taking first in the float competition during Homecoming. Then, through a total class effort we were able to exceed our estimated goal for the magazine drive. Finally, many from our class put in a lot of hard work for the science fair. In between all of our classes and activities, a few of us were even able to attain our varsity letters.

All in all it has been a great year and we would like to give a special THANKS! to Mrs. Turnisky.

We're on our way!

Break A Leg Drama

What a season! Once again, the Port Clinton High School Drama Club produced two outstanding shows! In the fall, Drama Club showed their versatility with their first musical. A smashing success, "Seasons In The Sun," featured Tom Flynn, Patty Klingbiel, Craig Celek and Marie Chantal Krempa.

With spring came a murder mystery! Featuring many newcomers to the Drama Club state, "Murder On Center Stage" was, to say the least, a thriller! Cast members included Soraya Farrow, Kacie DeLeon, Becky Darr, Chuck Cover, Mike Maier, Von Rider, Kelly Schaeffer, Wendy Anderson and Kris Vogt. Both shows were directed by Linda Rastle.

It looks like Broadway is the next stop for super star, Craig Celek!

DOLL-FINS...SWIM THEIR WAY INTO YOUR HEARTS

Here they are, in all their glory! From left to right, back row: Holly Floro, Elizabeth Schnitzler, Jenny Willford, Jeanne Kolhoff, Angela Biro, Lori Fenrich; middle row: Lisa Helton, Laura Skaggs, Michelle Gilliam, Beth

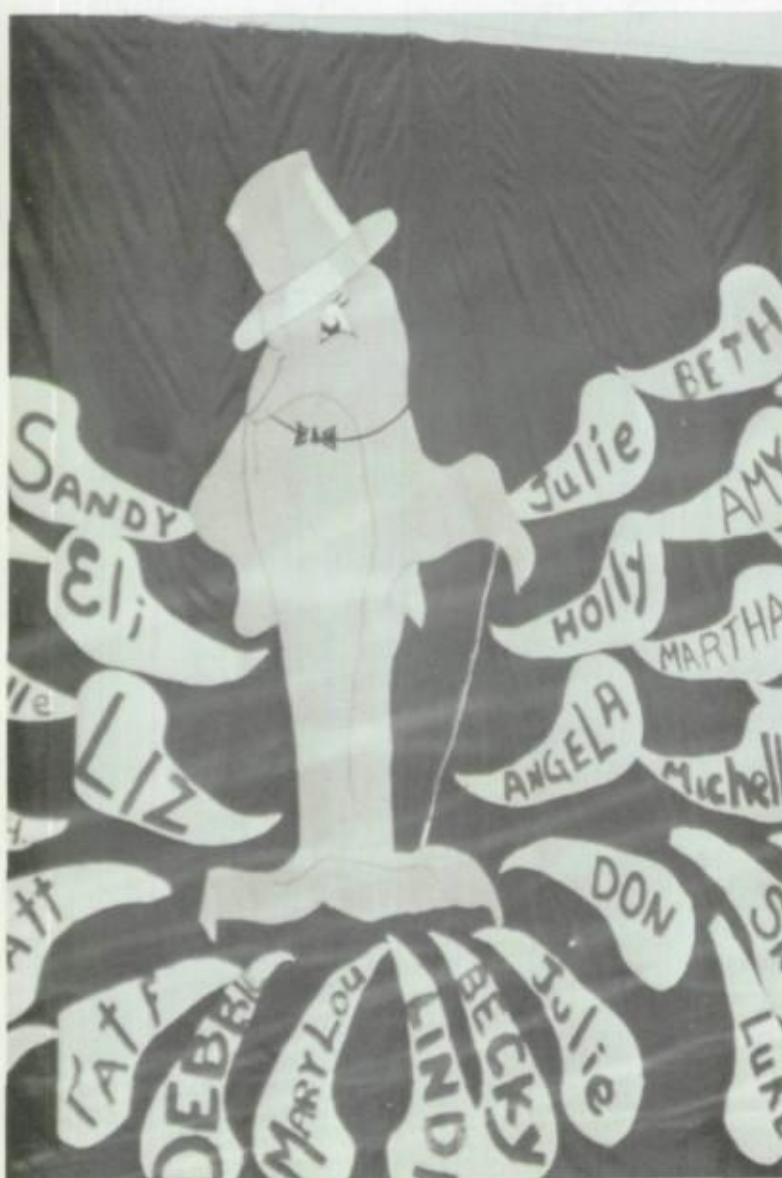

Kocik, Sandy Slobodzian, Eli Huang, Martha Vogt, Tracey Mefferd, Lisa Seckler, Sue Rinal, Tammy White, Nancy Delpercio, Krissi Krissi Nickel, and Ann Bodie!

The Doll-fins started out the year with the instructional clinics and the induction of new members to the team. Lori Fenrich, Holly Floro, Elizabeth Schnitzler, Jenny Willford, Jeanne Kolhoff, Angela Biro, and Laura Skaggs were our new additions.

Our show was titled "Splashdance" and was the best performance ever! Our success was undoubtedly due to the dedication of our five advisors: Becky Quisno, Julie Young, Linda Dicola, Debbie Wierzbka, and Mary Lou Suhrbier. Each routine was correlated to a particular dance theme from cultures around the world. From the Can Can of France to the Tango of Latin America, Doll-fins covered it all; breakdancing, rock-n-roll, Broadway, rhythm and blues, jazz, ballet. Lisa Seckler, this year's president did a super job and out of the water with her sportsportraying ballet and her leadership qualities to the team.

This year's officers were President Lisa Seckler; Vice-president, Ann Bodie; Secretary, Nancy Delpercio; and Treasurer, Krissi Nickel.

The 1984-85 year was definitely a productive one for the PCHS Doll-fins and we'll be looking forward to added success next year!!

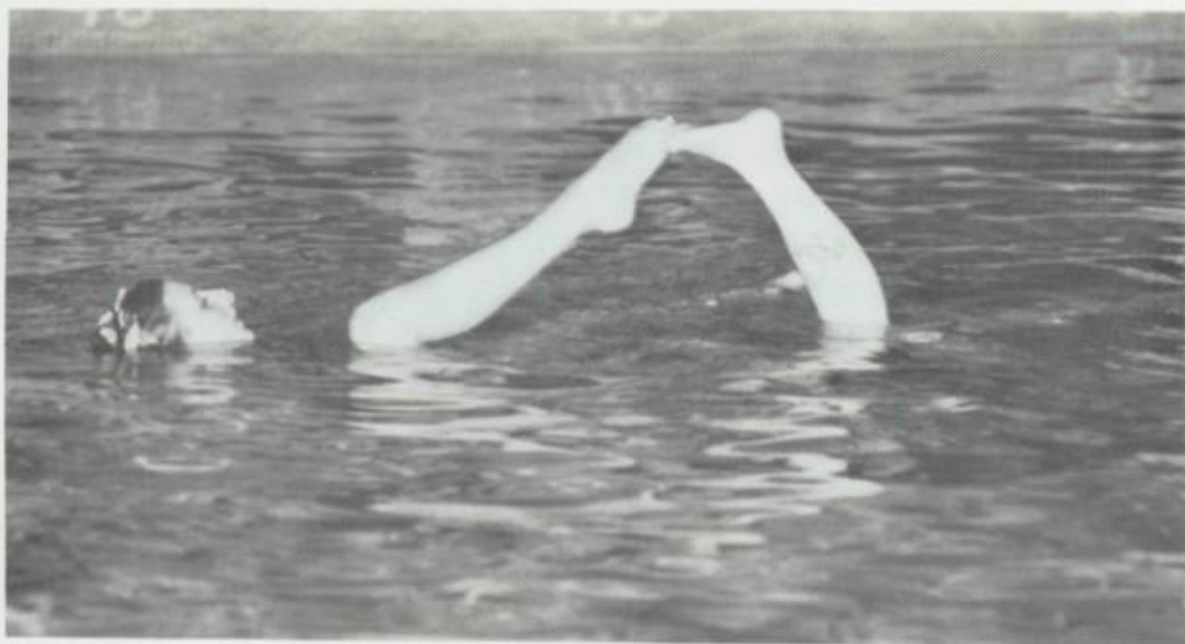

Show us a little leg, Michelle Gilliam!!

The few, The proud The honored!

The 1985 Honor Banquet was, to quote our esteemed Mr. Tom Brown, "exciting!" The speakers at this year's banquet included Don Vangeloff and Kelley Reiter, the top male and female seniors.

In addition to the many scholarships, Academic Letter Awards were given for the first time. These prestigious awards went to a few choice seniors who had attained a 3.5 GPA and gained 20 credits. Those seniors were: Carol Bordner, Vince DeLuca, Tom Flynn, Dawn Gels, Rick Harger, Doug Larson, Linda Molter, Greg Ohlemacher, Chris Ohm, Jim Reinheimer, Mike Taylor, Sally Turner, John Vance, Don Vangeloff, Howard Walters and Steve Winters.

Don Vangeloff, the top male senior, shares his insight with the other Honor Banquet guests.

SCIENCE FAIR

Wow!

The 1985 P.C.H.S. Science Fair was held on March 14. This year there were many outstanding projects ranging from stress to fungi. Fifty students received superior ratings and twenty-five went on to district competition. Seventeen received

superior ratings at Districts and went on to state competition. For the third year in a row P.C.H.S. has received the trophy for the highest number of superior ratings at Districts. Congratulations freshmen!

- STUDENT GOVERNMENT DAY

On May 14, 1985 justice prevailed in Port Clinton as Jimmy Lippus was found not guilty of rape. Although he was not guilty, he and the Plaintiff, Kelly Schaffer, were sentenced to 129 breakdancing lessons by Judge Tom Flynn. The trial ended this year's Government Day with a BANG! Many stu-

dents from P.C.H.S. got to see first hand what it is like to work in the offices of some of P.C.'s busiest officials. The coordinators for Government Day were Sally Turner and Jeanne Wadzinski. For all who attended Student Government Day it was a wonderful experience.

FPM IS WORKING FOR THE FUTURE

When P.C.H.S. students joined faculty advisor Jeanne Wonnell at both of the FPM Bloodmobiles this year, a record total of 179 pints of blood were col-

lected. We'll never know if it was the workshop or just the enthusiasm of the FPM members, but something did the trick!

Later in the year, the Future Professionals in Medicine devoted their attention to the annual "Send a Mouse to College" project. With the money collected from this project, going to cancer reseach, it was a very good cause to support. And this year's pres., Leslie Fritz, worked the hardest.

Led by advisors, Mrs. Angela Theibert and Mrs. Mary Drusbacky, the Future Homemakers of America also sponsored the Pigskin Swing and went trick-or-treating for UNICEF.

In September they started off the year with election of officers which resulted in President, Faith Ronto; Vice-president, Kim Banchich; Secretary, Amy Guth; Treasurer, Brenda Brown; Historian, Rae Ann Brough; and Parliamentarian, Karen Myers.

All-in-all, the future homemakers had a productive year through their service to the community and school.

VANGUARD: ON THE MOVE

Vanguard Vocational Center, an extension of our school, provides training, as well as the academic work needed, for future jobs. The types of programs that Vanguard offers are auto mechanics, carpentry, cosmetology, health occupations, and computer business. A student must be at least a sophomore. A special diploma is awarded to students graduating from Vanguard. Those attending Vanguard still participate in regular school functions as well as those at Vanguard. Attendance is increasing each year. These students are "on the move" into the future.

DECA Experience for the Years Ahead

Back Row: Alan Somers, Trisha Cooper, Dawn Gels, Paul Colston. Middle Row: Steve Gulas, Lisa Riznikove, Jennifer Duffy, Sally Turner, Jim Rakosky, Dennis Voss, Rob Moore. Front Row: Greg Olemacher, Nancy Delpercio, Kim Krupp, Amy Whitacre, Steve Gutkoski, and Mike Brown.

The 1984-85 DECA officers were: President, Greg Olemacher, Vice President, Rob Moore, Treasurer, Paul Colston, and Secretary, Kim Krupp.

It was yet another record breaking year for Port Clinton DECA. This year has given DECA students numerous opportunities to prove themselves in many ways. Beginning with the summer leadership retreat and ending with the Employer Appreciation banquet in May.

The year was very busy and filled with excitement. Students found themselves at the high school writing their manuals until 2:00 A.M. some times. But all the hard work paid off when Port Clinton, once again, dominated the state competition, breaking the world record for most awards by a single chapter.

Then it was off to California for the National Competition in San Francisco. The 16 DECA members spent 11 days on the West coast. The results at competition were outstanding with Port Clinton winning more awards than 42 other states of combined chapters. Their achievements were far greater than they had expected, and they owe it all to their coordinator, Mr. Thomas Mahoney. Without his constant support, none of this would have been possible.

The students receive a good education and at the same time receive something equally important, on the job training in this competitive world.

Pc's MARCHING RED & WHITE

It all started in late August. One could say that the Port Clinton High School Band seems to go from one extreme to another. From the blazing heat of late summer to the frigid cold of late autumn . . . they had it all!

Keeping with the tradition of the 1984 Olympic games in Los Angeles, the band performed a special Olympian routine, during which, they formed the five Olympic circles. It was quite a spectacle!

The final home game of the year was Senior Parents' night. All of the senior band members were honored and, in return, did their own share of honoring. Mr. Warnke, our beloved band director, was presented with

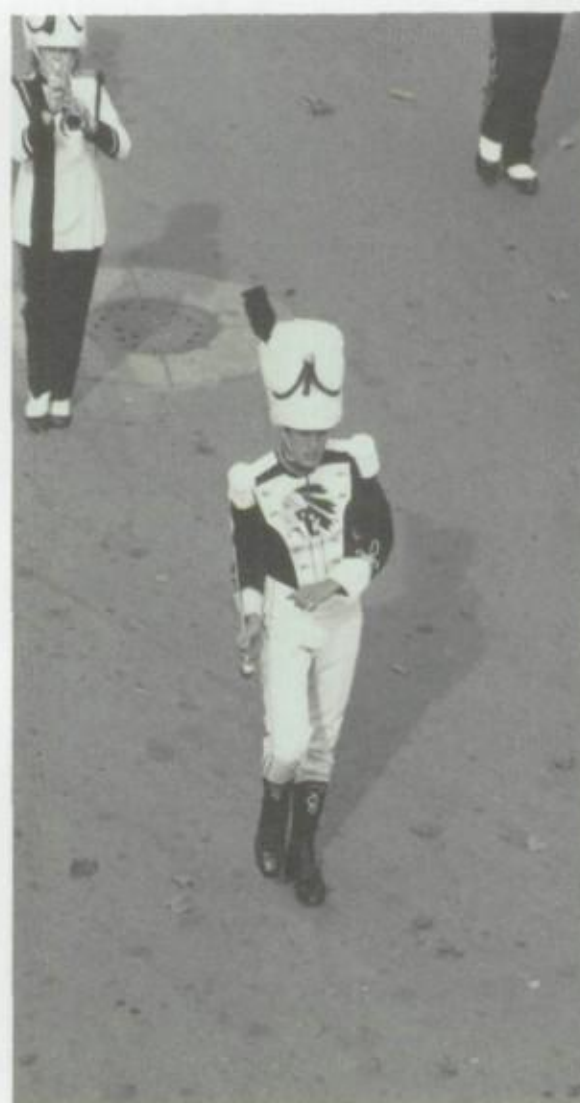

his own, official, P.C.H.S. band member Cabbage Patch doll!

All things considered, the P.C. marching band had another smashing year! It is with much sadness, that we say goodbye to our marching seniors.

SENIOR LUNCHEON is super way to end the year

Although the seniors did not get a senior trip, they did get a senior luncheon. It was held at the CIC on May 31, 1985. The program included a lovely dinner, passing out of the "gifts", a mini concert by Tom Flynn, Kelly Schaefer, Sandy Shiko, and Rob Harger, and a slide show by Focus Point.

It definitely brought back many memories of past years. It was the last event the seniors had together which made the luncheon most touching for everyone.

P.C.H.S. Holds 100th Commencement

Preparing for the Ceremony

On Saturday, June 1, 1985, Port Clinton High School's 100th class graduated under clear blue skies. The ceremony was most memorable. The faculty and graduates were led onto the field at True-Lay Stadium by the color guard, and the actual ceremony began with a one-gun salute from the Ohio National Guard.

The theme represented this year was of history and accomplishment. Although Kelly Reiter and Scott Salyers thanked the parents, teachers, friends, and community, Don Vangeloff and Jennifer Duffy gave the history of P.C.H.S. Don spoke on the first 100 years (1885-1985), and Jennifer spoke on the next 100 years (1985-2085). "It never changes," Vangeloff said. "Whether it be in a small room or a football stadium, it signals a new beginning."

As usual, graduation was a very inspirational event. After all, the future is ours.

bit of culture for all

The P.C.H.S. Foreign Language Clubs ended their year of activities with an intercultural picnic at East Harbor State Park. Among the many events at the picnic were frisbee throwing, baseball playing, talking and best of all, eating.

The advisors also had designated jobs. Mr. Mozina cooked the hot dogs and burgers, Mr. Hemminger guarded the food, and Mr. Kurtz gave quick lessons on how to throw a baseball. There was no trouble in getting the three clubs to intermingle. It was a great ending to a great year.

Making New — — Friends

The Friendship Connection

Making new friends is not always easy, especially if they live in different countries that are an ocean apart. Through the Friendship Connection, however, this barrier can be overcome. The Friendship Connection is a student exchange program that has been at P.C.H.S. for the last two years and it has been sponsored by Mr. Kurtz and his German students.

In this program students from West Germany come and live with host student and his family for weeks during the school year; the sometime in early summer the host student goes over to Germany to stay for 4 weeks. So far the program has been very successful and it has given students on both sides a chance to see how "the other half lives!"

American Field Service is a non-profit organization that helps students from over the world spend from three months to a year in a foreign country with a host family. It was founded in 1941, by American ambulance drivers, who thought this was a good way to promote better understanding between nations.

This year P.C. hosted two AFS students, Gavi Velez from Ecuador and Claudia Morawetz from Switzerland. Eric Friemark, a senior here at C.H.S., also spent his summer abroad in West Germany through AFS.

ALL WE WANT TO DO IS DANCE!

REVISTA PRESENTS PC'S FIRST VIDEO DANCE!

"In a world full of copies, here's to the originals!" During the month of April, the Revista staff proved just how original they are by throwing a Video Dance. A new dimension at P.C.H.S., the first Video Dance was a great success! The Video Jockeys that evening were Joe Cobb and Paul Money. What a combination! In addition to an evening of videos, dance goers were treated to a break-dance contest between George Lee and John Schroeder! What a night, Revista!

Oooo... That's Scary!

The annual Halloween Dance took place in the cafeteria. Cooperative Office Education sponsored this horror night. Mike Weis, the disc jockey for the night, organized a dance and costume contest. The costume judging consisted of many categories including the most original, the cutest, the prettiest, the funniest, and the scariest. The contest was judged

by the crowd's applause.

This year's Halloween Dance was a success. The number of costumes worn was double that of previous years. To help in this success, one could enter the dance cheaper when dressed in a costume. Speaking of costumes-What a Variety-from Batman and Robin to cabbage patch kids to headless monsters.

A NIGHT OF CAROUSELS

On January 5, 1985, a magical event took place in the high school cafeteria. This spectacular dance entitled A Night of Carousels, was sponsored by the cheerleaders. After many long hours of hard work, the cheerleaders created a new look for the cafeteria, setting a festive mood for everyone, and Ron Finn from 92.5 WMHE, provided the music.

The decorations consisted of many things one might see at a carnival. There were horses, a fat lady, a thin man, and even Bozo the Clown.

HOMECOMING - T H E - EXPERIENCE

It finally arrived. Our first big event of the 1984-85 school year . . . Homecoming!

As always, the festivities began with our gala parade. Riding with nobility atop the Senior float, were queen finalist Michele Koval, Lea Odegard, Shelly O'Neal and June Wagner. Filled with Redskin Spirit, students adorned in red and white paraded behind their class float.

That evening at the game, the Margaretta Polar Bears were stopped cold by the powerful Skins! Our victorious score was 17-7; definitely a game to remember. Half-time featured the crowning of Queen Michele Koval, as well as a victory for the freshmen in the float competition with their entry, "Where's The Bears?"

For many students, this Homecoming games was to be their last. Tears of sadness, as well as joy, were shared by the Class of 85!

The final event of this memorable weekend was the Homecoming Dance. With music by "Vengeance," everyone agreed that Student Council had really out-done itself! As fast as it started, it ended . . . once again, Homecoming is but a memory!

Pigskin Swing Rocks!

On November 10, 1984, FHA put on the annual Pigskin Swing. As usual, it was a big success. Everyone spent the night rocking to the music of Mike Weis from WCPZ!

Everyone had something to say about the dance:

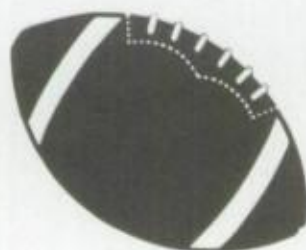

"It was a real trip," said Jane Carter. "Right, Steve Gutkoski?"

Craig Celek exclaimed, "It was

spectacular."

"It was all right!" said Bob Rounds.

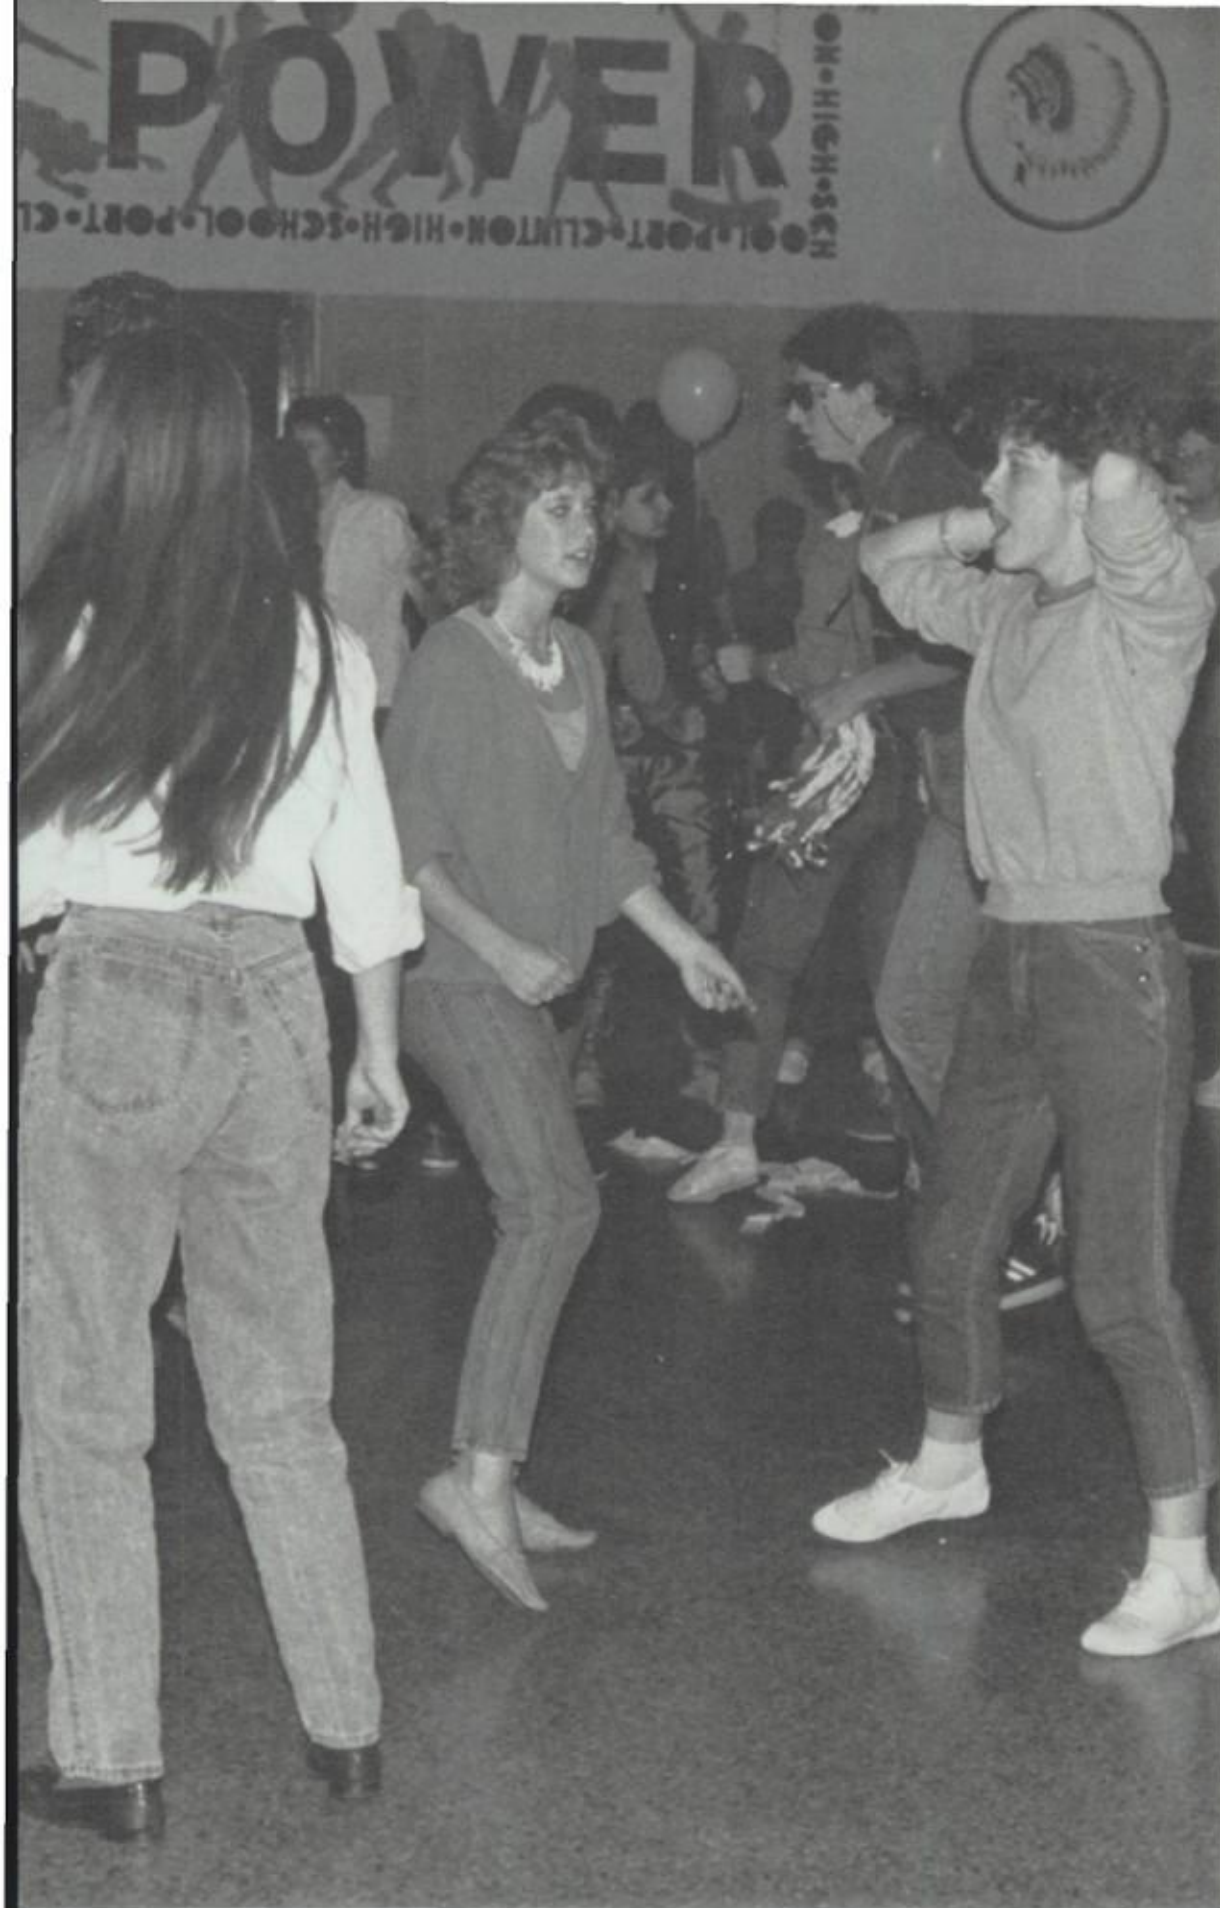

The Pigskin Swing is held annually after the final football game in honor of the football team. At one time, queens were chosen to reign over the dance. This traditional dance has been going on over the past twenty years and we hope it continues on for at least twenty more.

?

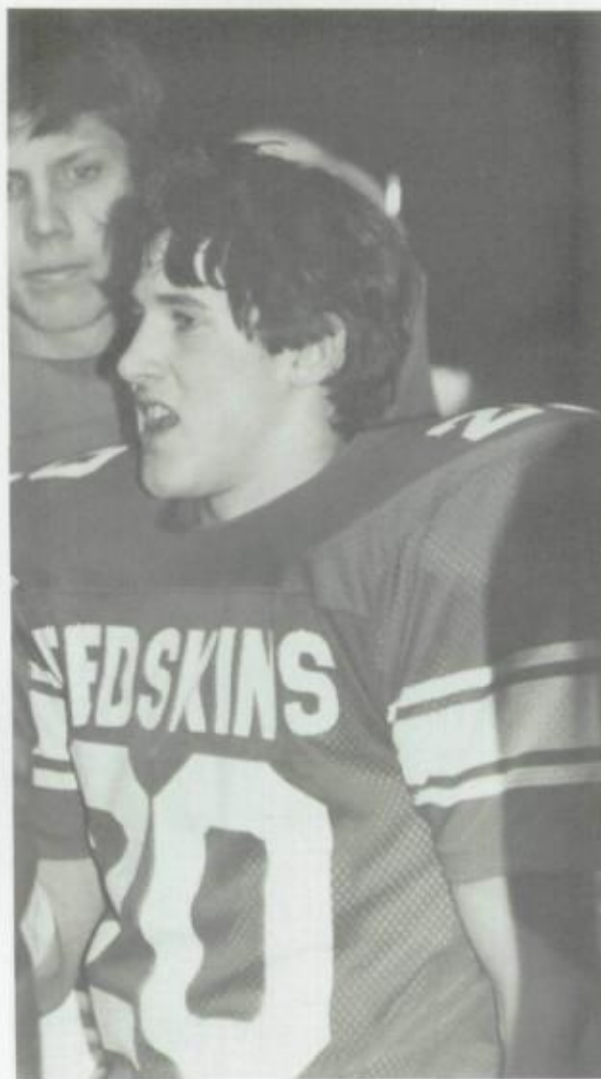

REDSKINS, 6:4 OUR BEST IN 4 YEARS!

The 1984 football season was one of success. The season started out slowly with a 2-3 mark after the first five games. However, as soon as the new passing game was installed the Redskins went on the warpath winning four out of the next five games to end the season with a respectable 6-4 season. The Redskins made an excellent showing by finishing second behind league-unbeaten Huron. The highlight of the season came when the Redskins soundly defeated previously unbeaten Margaretta Polar Bears with a score of 17-7 in front of a sold-out crowd. The Redskins completed the season with revenge on St. Joe, St. Mary's and Perkins. Coach Drusbacky's rebuilding plan reaped a fine harvest.

Reserve Football Breaks Even!

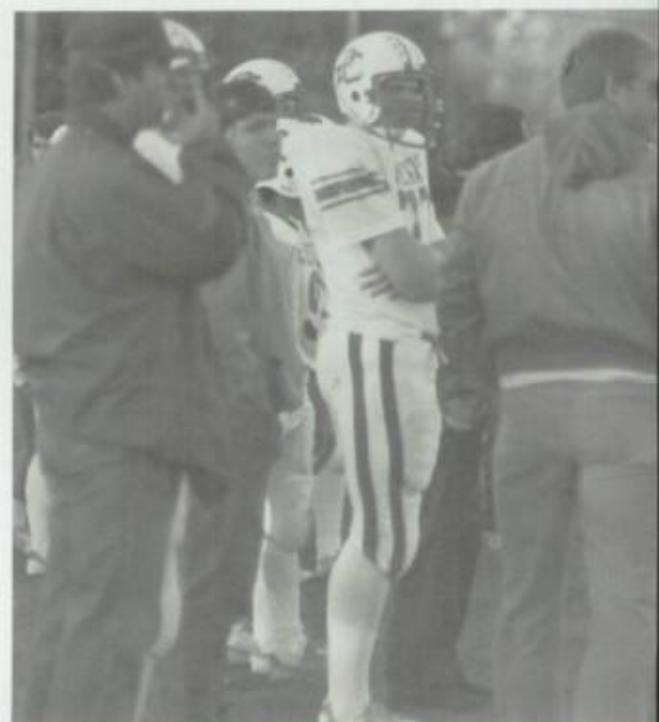

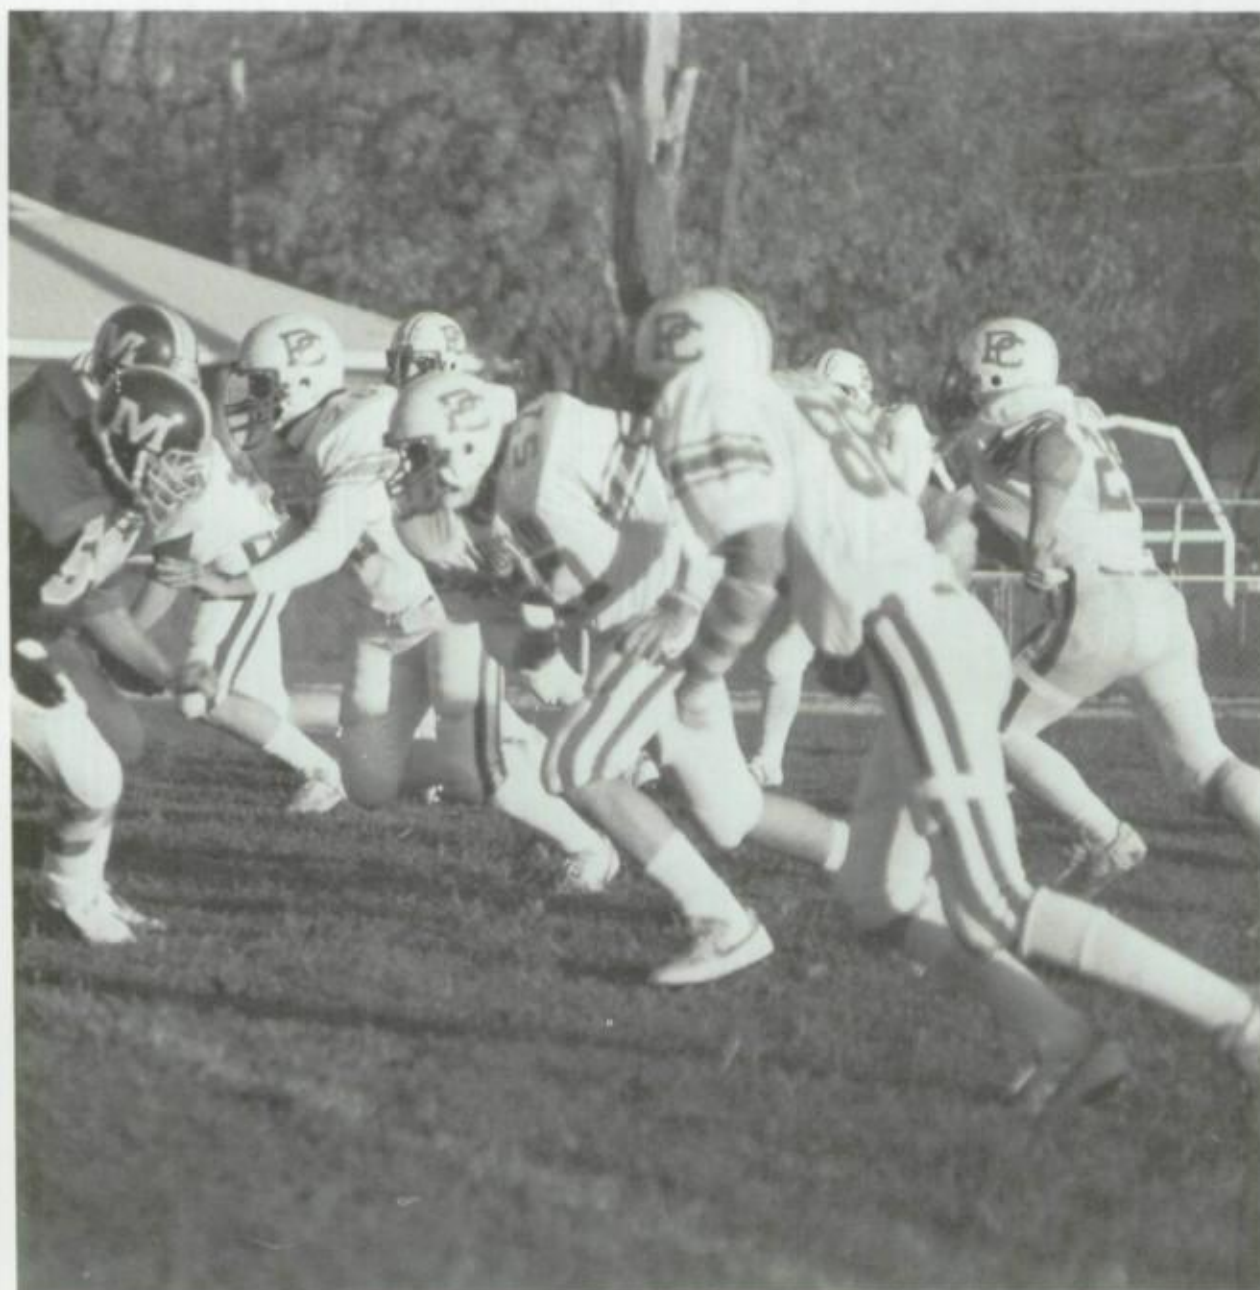

Four wins and four losses was the overall record for the 1984 season of Reserve Football. Coached by Mr. Worley, Mr. Struess-Rueder, and Mr. Timmons, the team shared equal experiences of wins and losses; of happy times and disappointing times.

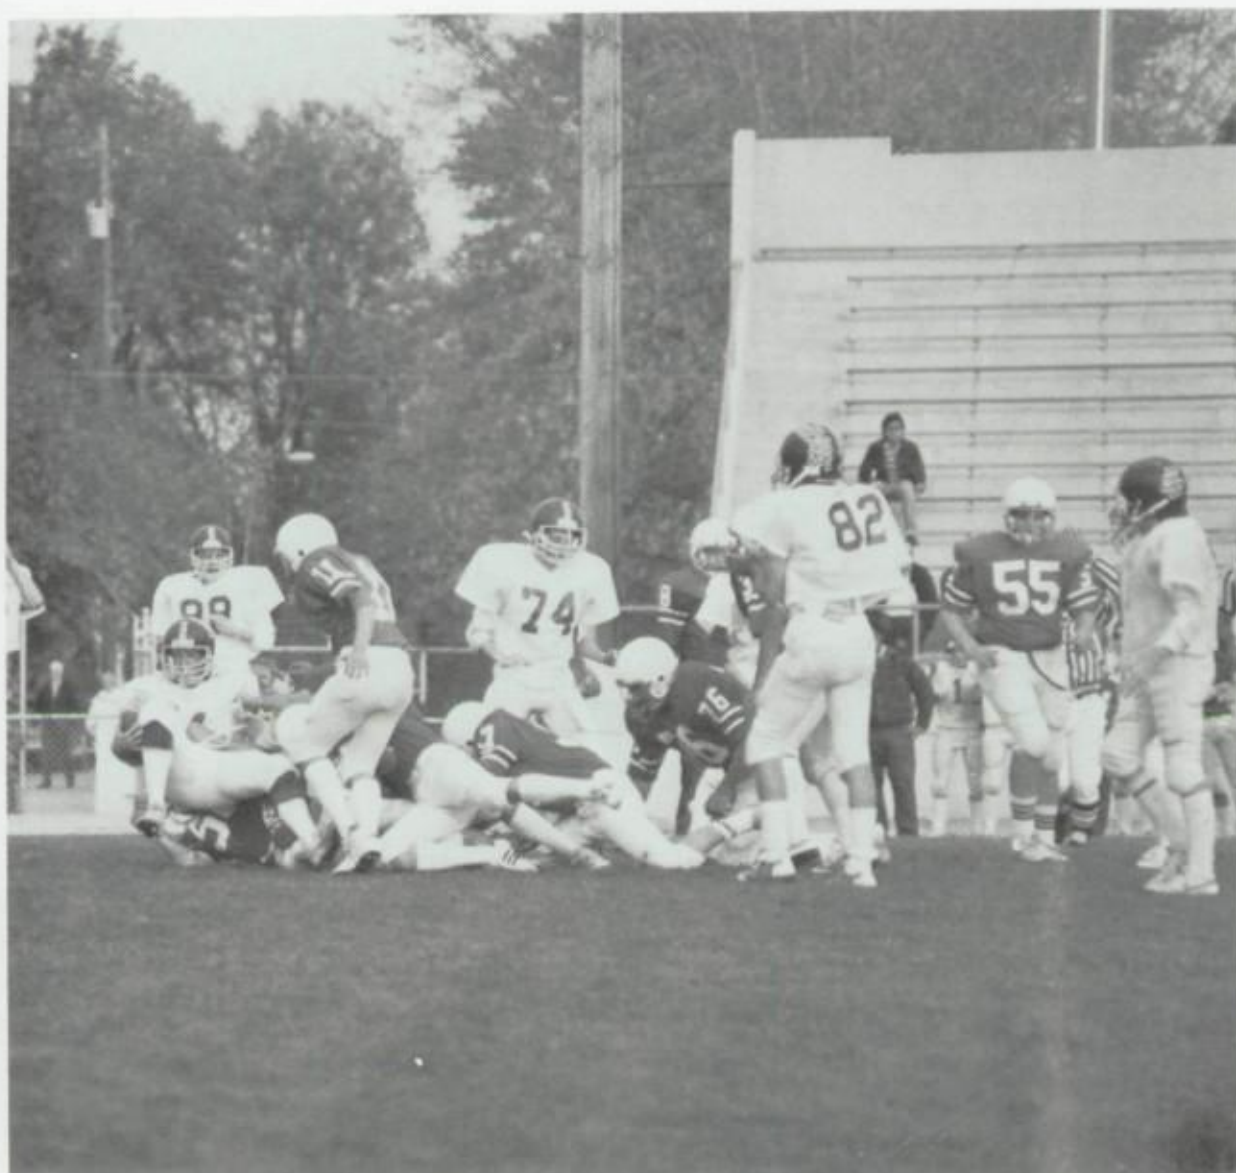

The highlight of the season came with the Calvert-Port Clinton game when we stomped Tiffin 12-0.

Chris Goebel, playing the position of tailback won the award for "Scout

Player of the Year" and Chris Grieves (defensive tackle) was awarded the "Mr. Football-Reserve" award. These honors make them important candidates for next year's Varsity squad.

With an "even season" and many outstanding athletes, the Reserve Football team had an exceptional year filled with fun, work, and lots of new experiences.

FRESHMEN'S FIRST YEAR: ONE OF EXPERIENCE

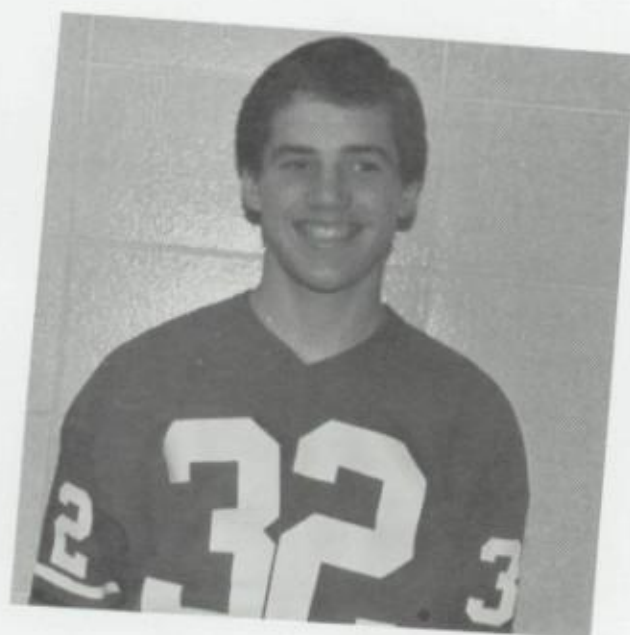

After a 1-5-1 season, the first year of high school football for the freshmen was one of both good times and bad times. With new coaches Warnicke and Babcock (pictured at left) coaching younger athletes for the first time, the year was devoted to the building of body strength and

technique.

During the daily practices, the team rotated the players for whom the captain of the week would be. This new idea taught the concepts of leadership and team responsibility to everyone.

David Libben (pictured here at left) was this year's most valuable player. He showed outstanding and promising performance in all games this season.

Not only did the young stars learn leadership, but they got a taste of what real competition is like . . . and important preparation for next year when they "tackle" JUNIOR VARSITY!!!

P.C. Golf Strokes to an Even Par!

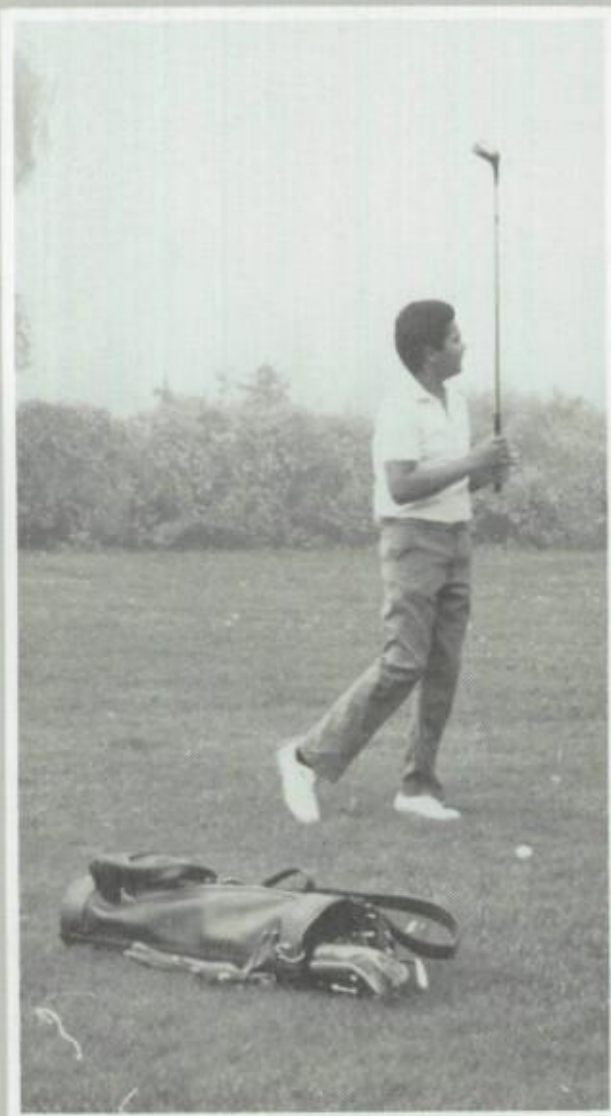

The 1984 golf team was coached by Jim Greer with the help of his aide, Denny Robel. The team stroked to an even par with an 8-8 season and a fifth place finish in the S.B.C. Their biggest thrill was a 3rd place finish (missing 2nd by only one stroke) out of ten teams in the Genoa Invitational. Leading the team throughout the season with the lowest averages were captains, Randi Lorensen and Paul Colston.

Earning special honors were Randi Lorensen, Steve Coffin, and Dale Bennett. Randi recieved the Most Valuable Player award and was also named first team at the Genoa Invitational. Steve was named Most Promising Player and Dale was named Most Improved Player, and both were elected as the 1985 captains.

VOLLEYBALL

The Ups and Downs!

The Redskin volleyball team had a year of ups and downs. After a slow start, the girls managed to finish the season with an 8-13 record. There were a few highlights in the season with the lady Redskins upsetting some of the top teams in the league. The many hours of practice paid off in many respects. Four senior girls broke different records throughout the season, and Sally Turner was chosen for the first team All SBC.

Captains, Shelly Heckerd and Sally Turner won't take their eyes off the ball.

The Junior Varsity team, finishing with a 6-12 record, gained experience through the season. The reserve Redskins broke four individual records as well as four team records. With eight seniors leaving, there will be competition next year for varsity positions!!!

Girls Bring New Look To Redskin Cross Country

The boys and girls Cross Country teams had a year of firsts. The girl's team, captained by Linda Gulas and Kelly Schaefer, qualified as an official team for the first year ever, with nine runners. The girls not only made an impression in tournaments and dual meets they attended, but also placed fourth at sectional competition and advanced to districts. This successful 7-7

season was capped with freshman Ann Gaydosh qualifying for state competition.

The boy's Cross Country team, led by Steve Gulas and Clint Bublitz, had outstanding and experienced individual runners but seemed to lack depth. Although suffering a disappointing 3-12 season, the running season was basically a rebuilding year for the Redskins. The highlights were a fourth place finish in the SBC and the qualification of Pat Fahey for state competition.

GIRLS' TENNIS— SBC CHAMPS !

The P.C.H.S. girls' tennis team had an AWESOME 1984 season. They placed 4th in the Fostoria Invitational, sent three players to District competition, had a player make the S.B.C. All-league team and won the S.B.C. Championship. Their over-all record was 9-7, and the S.B.C. record was 8-2. Beth Benko was chosen for the S.B.C. All-league team after winning the sectional tournament. Runners-up at sectionals were Beth Kocik and Heidi Delhees. Christina Armstrong and Andrea Cuttaia qualified for the semi-finals.

The 1984 girls' tennis team is the first girls team in the history of P.C.H.S. to become conference champions. This is a fantastic accomplishment for the Redskins because the varsity team has no

senior members. The eight varsity team members are Beth Benko, Donna Richard, Beth Kocik, Stephanie Karshuk, Heidi Delhees, Andrea Cuttaia and Christina Armstrong. This year's Co-captains were Dawn Gels and Nicole Batzel.

'SKINS

Best season for one reason:

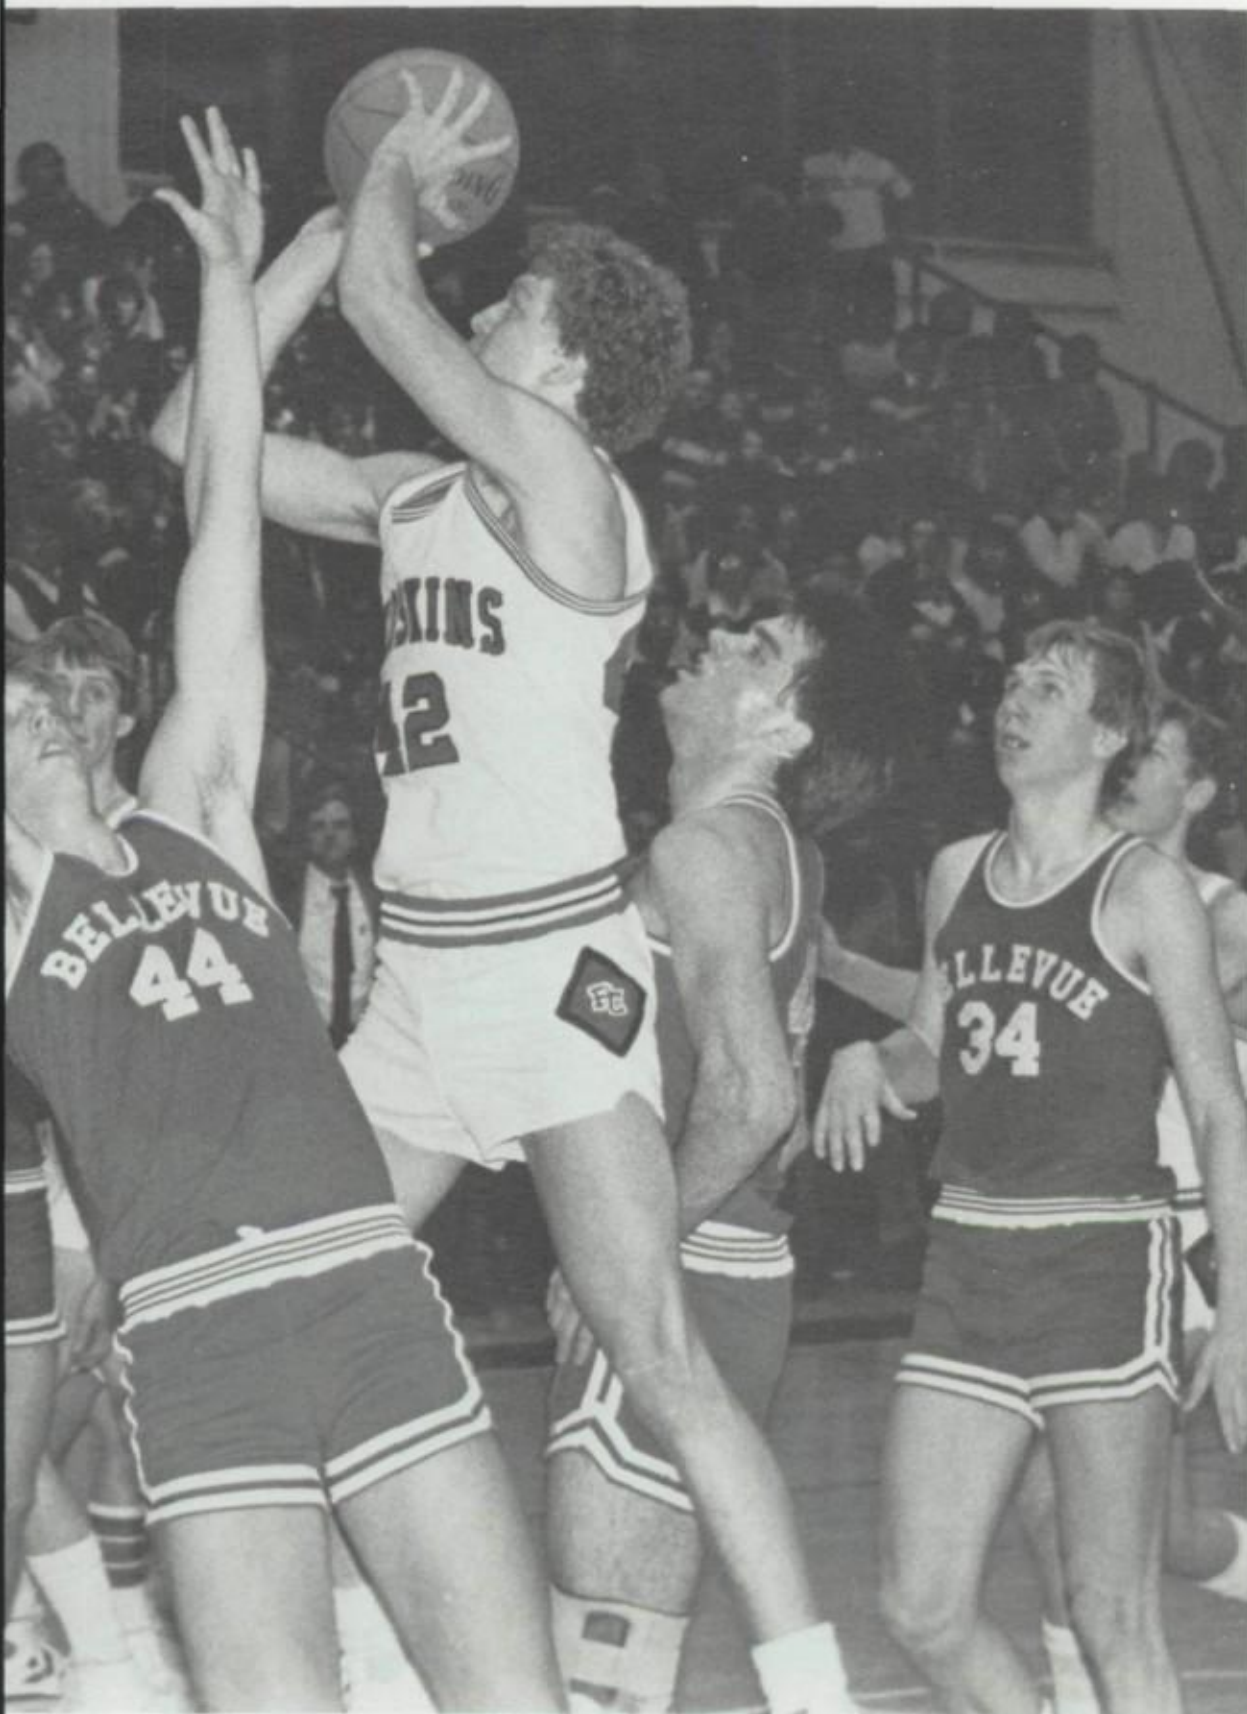

TEAMWORK

This has been a year to remember for the PCHS boy's varsity basketball team. After winning the S.B.C. championship, the "Skins" went on to win the sectional title for the fifth straight year. This win led to one of the team's biggest thrills—beating Lima Senior in the district tournament! The reasons for the team's outstanding season, as stated by Coach Bodager, were that they never gave up, played as a team, worked hard both on and off the season, and they had a good mental approach to each game.

The team also broke and tied some records this year. Their total of 20 wins tied the old school record, and Paul Colston, this year's captain, broke the school record for the highest number of career points. The old record, set by Lee Horne, was 1254 and Paul ended the season with 1341. Randi Lorensen and Paul Colston both shared the title of most valuable player. Both of these players also made first team S.B.C., and Paul Colston also made the district team and was recognized as an All-State Player. "All in all it was an enjoyable and a super season."—Tom Bodager.

The Boys' Reserve Basketball Team was shooting for the top. Although they didn't quite make it, they had a good season with a record of 9-11, under the guidance of Coach Don Drusbacky. The team was led through out the season with the most points by Barry Millinger-143 and Keith Ballard-124.

The most exciting game of the season was against Margaretta. They won by one point with a last second shot by Keith Ballard and a great effort by the entire team. They all look forward to next year's season.

Freshmen Basketball: a season to grow on

The Freshmen Basketball Team had a great season to grow on. The year was full of fun, learning, and experience. They learned plays and worked on fundamentals in practice. They used these abilities in their game experiences. Captains were rotated so each member of the team could learn responsibility and leadership. Unfortunately, the work they did in practice and in the games did not show on their record which was 2-13. They all look forward to next year's season.

LADY REDSKINS STILL SMILIN'

The Lady Redskins of P.C.H.S. are still smilin', despite a poor 1984-85 season. This basketball season ended with an S.B.C. record of 0-14 and an overall record of 2-19. This year's co-captains were Jackie Brough and Amy Drummer. Both girls received Honorable Mention on the All-S.B.C. team and were chosen as this year's Most Valuable Players. The record for the most "steals" was broken by Amy Drummer who made 101 steals in her senior year.

The biggest thrill for the team this year was their 46-41 victory over the Margaretta Polar Bears in the S.B.C. tournament. The team is looking forward to a great season next year with four returning letter winners.

LEADING P.C.H.S. IN SPIRIT

The cheerleaders once again began the year with a new advisor, Julie Waite. Under Julie many things were accomplished. This past summer, varsity went to camp and placed third in team competition. Peggy Clements placed fifth in individual competition, and Sandy Shiko placed in the top ten.

During the season, along with cheering, the girls provided the football and basketball teams with many treats. As is traditional, they also put on the very popular Winter Formal, making all the decorations by hand.

PC Wrestlers Go For The "PIN"

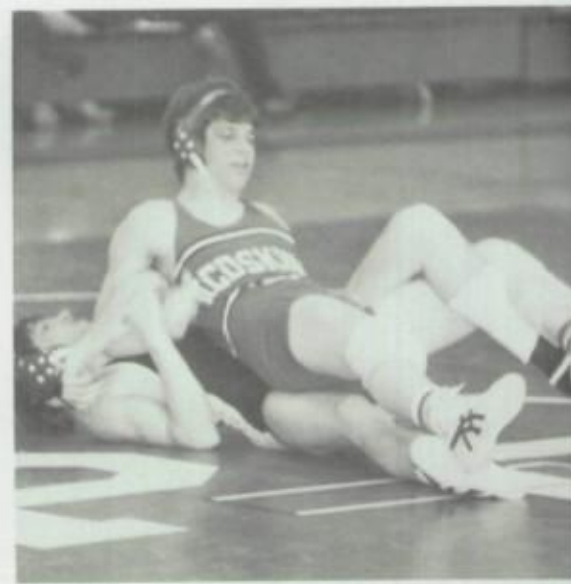

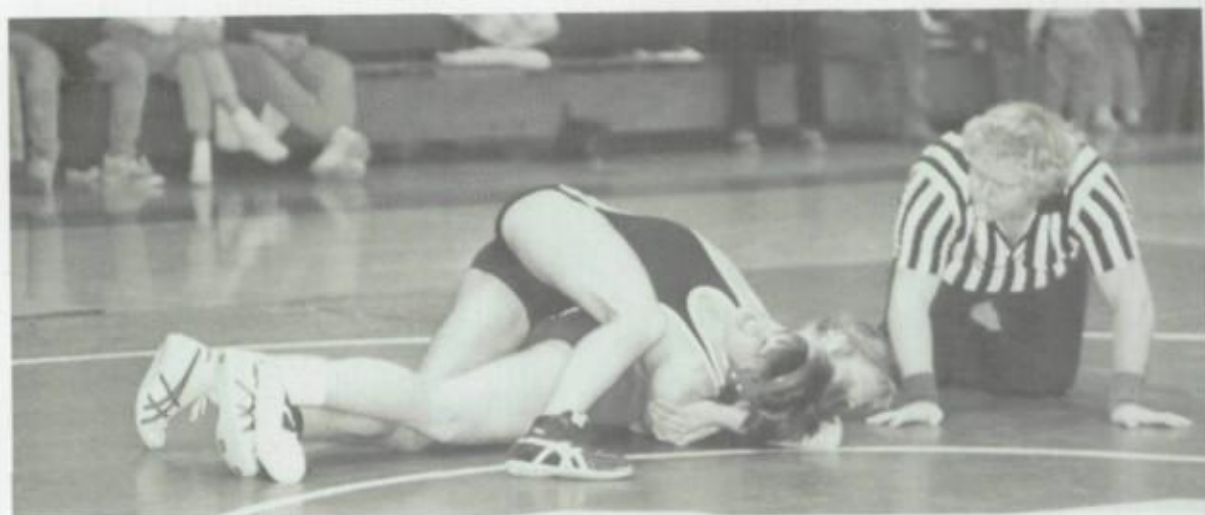

The 1984-85 wrestling team had a very productive season while participating in five different tournaments. In the normal season of dualmeets the Redskins won one, tied one, and lost five. Despite their record the team worked very hard and proved their great compatability to Coach Fisher.

Leading the team as captains were seniors Steve Gutkoski and Steve Smith. Steve Gutkoski was injured in midseason while wrestling in the dualmeet with Perkins (pictured in the upper right hand corner on page 167). Steve Smith, on the other hand, was awarded most valuable player after achieving the greatest number of pins (9), and numbers of takedowns (73). Steve's overall record was 23 wins with 6 losses.

This season was a building season for many of the younger wrestlers with lack of experience.

PC SWIMMERS Splash To Success!

Matt Partin, Don Branum, and John Schroeder.

The boys' swim team had a season of ups and downs. Captains Don Branum, Matt Partin, and John Schroeder led the team with their great efforts. Injury and sickness were major factors in many of the meets. John Schroeder was chosen as Most Valuable Swimmer and was also leading point scorer. Many of the swimmers gave it their all in the meets. The younger swimmers gained experience as well as making improvements. The boys swam well in vic-

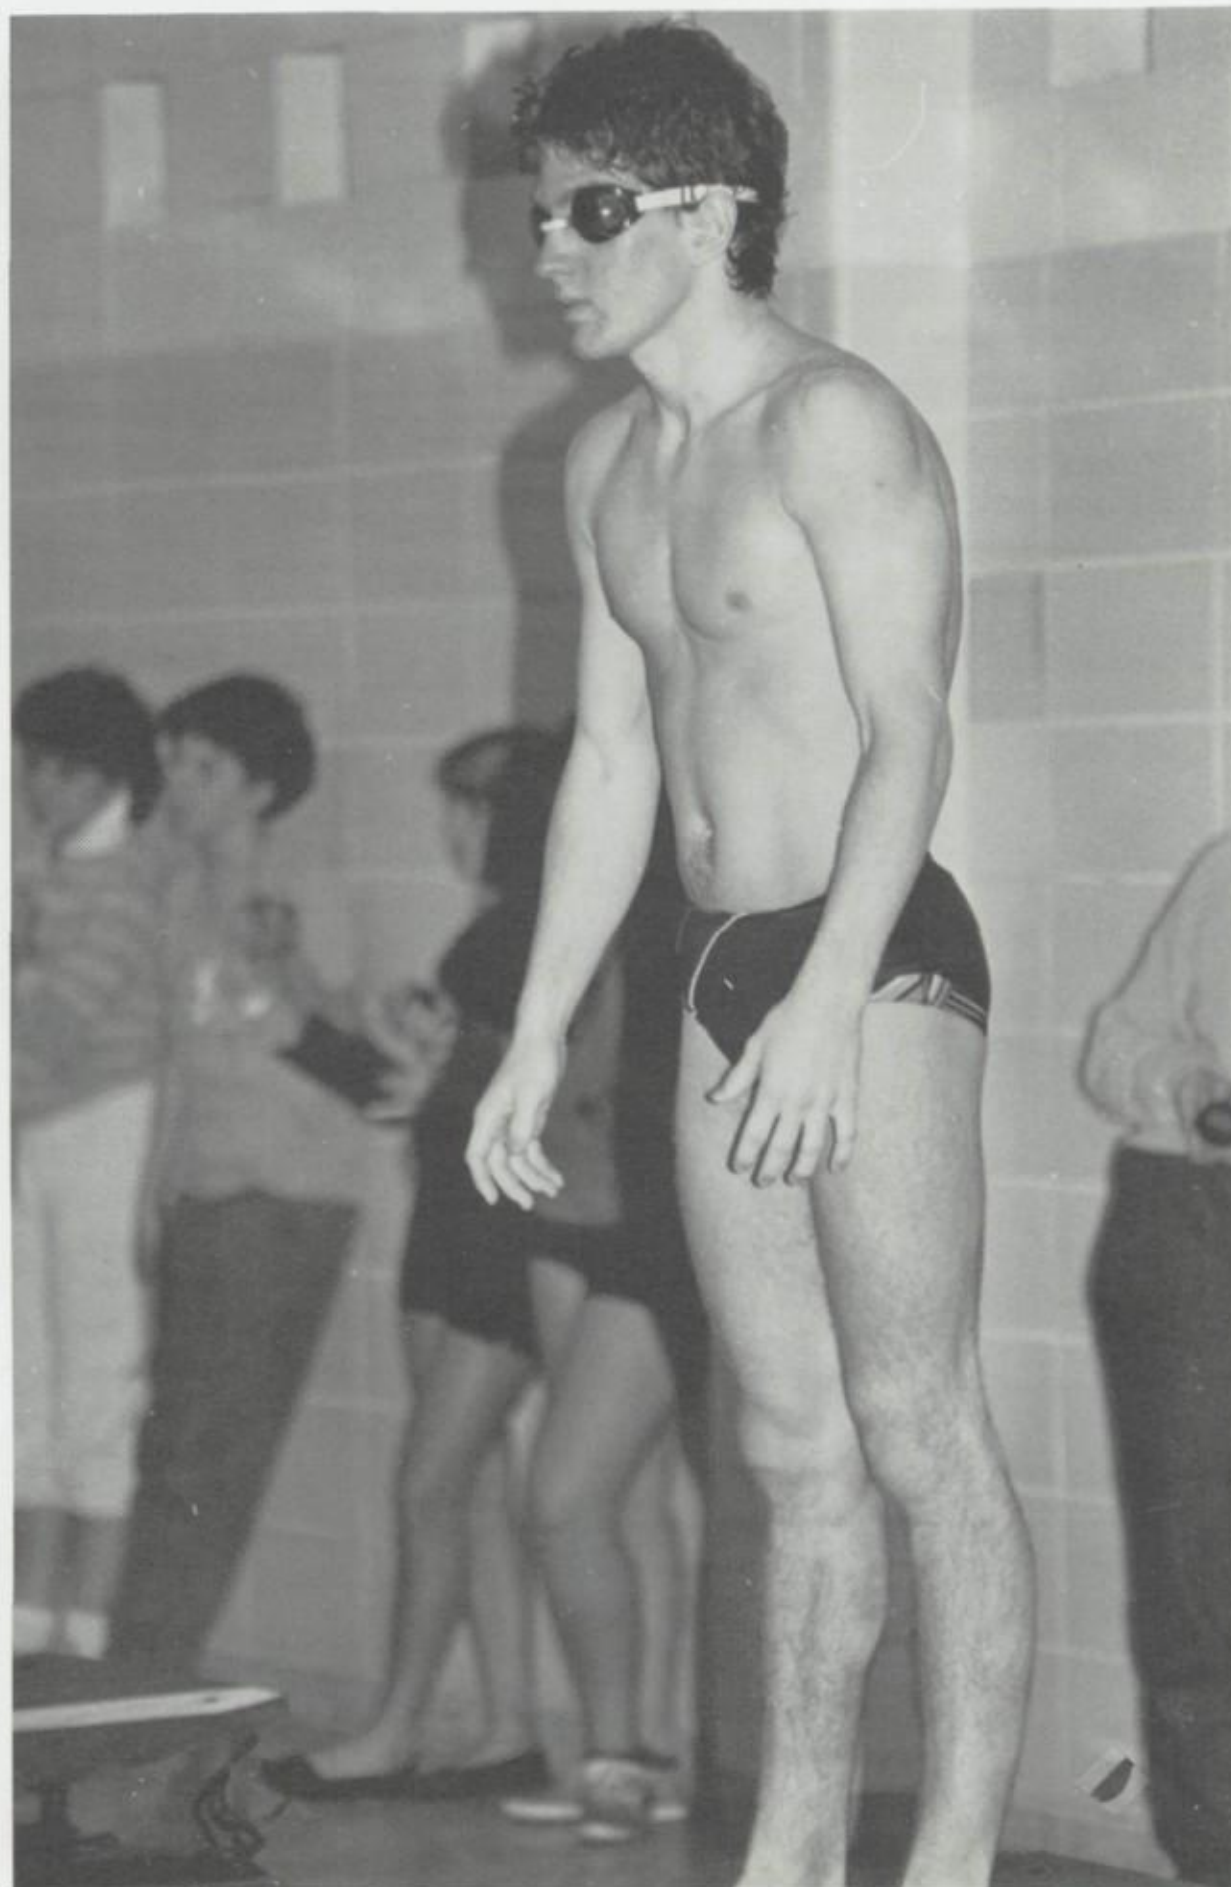

tories over Calvert, Margareta, Ontario, and Lima, and also in a few of their loses. Besides the three senior captains, the only other senior on the team was Scott Salyers. Though no records were broken and no state qualifications were made, the swimmers gave it their best shot. Although the season had some disappointments, the success and improvement of individual swimmers should not be forgotten.

SWIMMIN' WIMMIN: A SEASON OF IMPROVEMENT!

Nancy Delpercio, Ann Bodie, and Kelly Schaefer.

The 1984-85 swim season for the "Swimmin' Wimmin" was a time of great improvement. Captained by Ann Bodie, Nancy Delpercio, and Kelly Schaefer, the girls defeated Lima and Tiffin Calvert for their first two victories ever. All the hard work and effort that was put into practices paid off for many of the swimmers. Out of the eleven events, eight records were broken. Ann Bodie was named Most Valuable Swimmer. She holds three individual records plus helping to establish the record for the 400 Freestyle Relay. Spirit ran high as the girls put forth great efforts in their events as well as cheering one another on. All of this hard work and encouragement from each other made the season one of improvement for all.

Baseball- Swinging into Action

The 1985 baseball season started off at a slow pace. The Redskins held together with the leadership of head coach Dan Timmons and assistant Coaches Drusbacky and Scalf. Following through the year their skills definitely improved by finishing with winning 7 games out the last 10. Their overall record consisted of 11 wins, 13 losses, and 1 tie.

With 16 members on the team, 10 of them were seniors while on the other side there were 2 sophomores, Williamson and Brewer.

This season the most valuable player award went to Randi Lorensen, along with the Mr. Offense and Mr. Styx awards. Mike Riddle was awarded Mr. Defense, while Jim Rakosky received the Stopper award. Overall there was a lot of talent working together on this varsity team.

Captains- Jim Rakosky, Randi Lorensen, John Gluth.

Back Row (L-R): Mike Riddle, Coach Jim Scalf, Randi Lorensen, Jim Wadzinski, John Gluth, Rob Harger, Jeff Miller, Jerry Mortus, Mike Williamson, Coach Mike Drusbacky, Scott Brewer, Jeff Gluth (manager), Coach Dan Timmons. Front Row (L-R): Matt Mueller, Gary Shook, Jim Rakosky, Steve Gutkosky, Ken Sorg, Chris George, John Zibert.

Do not worry, Coach Drusbacky, the game is not over yet!

RESERVE BASEBALL IS UP TO BAT

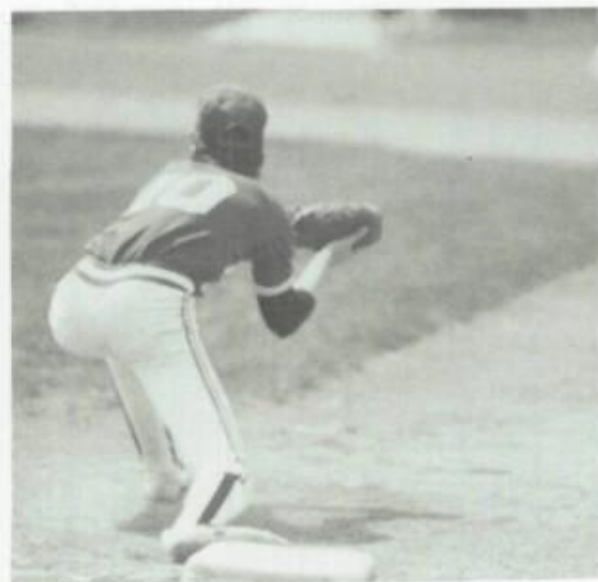

"It was interesting, but fun," said Greg Hedden about his first year as reserve baseball coach. And, that it definitely was. Tom Martin, for instance, broke his nose, and the entire time outscored their opponents 142 to 106. Every pitcher had a winning record this year. The pitchers were Troy Grindstaff, Phil Mendoza, Scott Howell, and Jack Gillespie.

Phil Sebastiano led the team in hitting, and Steve Wildman (pictured at right) was voted most valuable player by his teammates. The team ended their season with an 8-8 record.

Best of luck next year!!

Coach Dave Miller is stunned at the grace and speed he is witnessing from his team.

B.J. Dupps shows us the real meaning of his nickname, "Born Jock"!

Sanju Shinde shows us his key to success . . . POWER.

Finishing their best season since 1977, the PCHS Boys' Tennis team was all smiles at the conclusion of competition by defeating Huron, and Sandusky in the last two matches. Port Clinton came away with a second place in the SBC. Special recognition went to Kurt VanLuit as an SBC all-star player. Three players played up to SBC quality and walked away victorious from some very close matches. These players were: K. VanLuit (MVP), T. Heslet, and J. Crisologo.

P.C. Is On The Right Track!

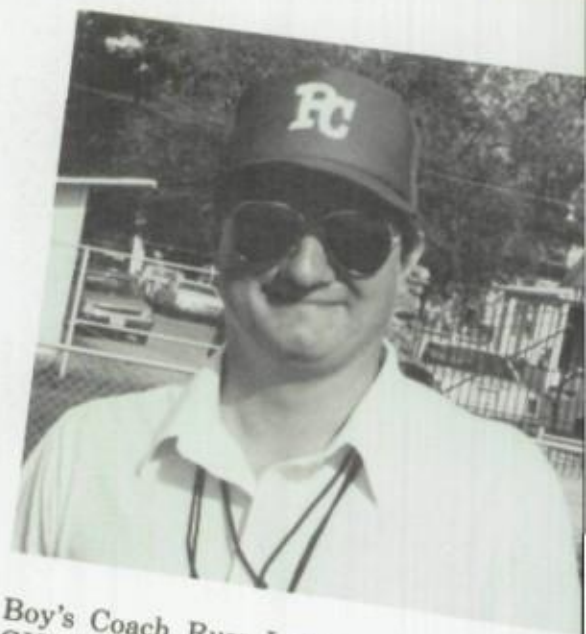

The Boys' Track Team experienced a year of transition in '85. New coach, Russ Leist, did a good job of putting the Redskins "on the right track."

The Running Redskins placed fifth in the S.B.C. meet which put them also fifth in the conference. Although P.C. has had better records, 1985 was a good year for seasoning new talent.

The Girl's Team had a similar season, and they placed sixth in the S.B.C.

Both divisions of the PCHS track program had one qualifier for the Regional Track Meet. Tom Weldon journeyed to Westerville to compete in the 400-meter dash, while Anne Gaydosh traveled to Oak Harbor for participation in the mile- and two-mile runs.

On May 3, the banquet was held and awards were given recognizing a super year with many records being set and broken.

Boy's Coach Russ Leist . . . good job, B GUY!!
